In accordance with the Court's August 12, 2022 Order (ECF No. 47), the parties provide this joint status report on the status of the rulemaking during the pendency of the stay:

The United States Department of Agriculture ("USDA") expects to issue a final rule for Special Areas; Roadless Area Conservation; National Forest System Lands in Alaska before the end of the calendar year.

The Intervenor Defendants maintain their objections to the continual delays and inactions on this issue and particularly object to Federal Defendants use of its delays for pre-emptive denials and delays of projects under the current law, the 2020 Alaska Roadless Rule.

Respectfully submitted on this 30th day of November, 2022.
